After School Care Programme

Club Evergreen

We invite your daughter to join us at **Club Evergreen**, our bespoke after school care programme designed to support our parents to juggle their busy lives!

Club Evergreen offers a convenient, safe and caring programme for our Year 0 – 8 students during term-time from 3.00pm – 5.30pm, Monday to Friday.

The programme continues to be managed by our long-term After School Care Manager Sandy Thomas whom many of your daughters know well and has been reshaped to include a fresh array of activities and collaborators. We invite your daughters to enjoy activities such as cake decorating with our wonderful onsite Chef and sweet treat expert, Kelda, who used to create amazing high teas as Head Pastry Chef at the Langham Hotel. Term 1 will also include a focus on seasonal gardening. The programme will be extended with new activities throughout 2021.

There will be time to enjoy a healthy afternoon tea, try out some new skills and complete homework in a supportive and relaxed environment. It is also a great chance to spend time with girls from other year levels.

Girls are welcome to attend on a permanent, part-time or casual basis. Some parents choose Club Evergreen while they take a sibling to an extra-curricular activity, or while waiting for later swimming lessons in the St Cuthbert's pool. Some girls come before or after sport, music or drama practice, while waiting for late buses, or on parent interview days. Others find it a convenient option for a late pick-up after work

Location

We are thrilled to announce a fantastic new location in the Junior School precinct in a well-equipped classroom adjacent to the cottage and near the junior playground. This will enable an easy pick up for parents from the Junior School Carpark, and means that the girls can enjoy the playground.
